

Data protection and data processing

Participants' data will be stored and processed electronically exclusively for the purposes of holding, preparing for and following up on the event. Data will only be passed on to third parties in the context of registration for the referenced event.

Withdrawal and cancellation

The declaration of withdrawal/cancellation must be made in writing. The date of receipt by the DPSG DV Speyer is decisive. Substitution of registered participants is possible, the substitute person must be named to the DPSG DV Speyer 3 days before the start of the event.

Cancellations less than four weeks before the start of the event will be charged 50% of the participation fee. Cancellations made less than two weeks before the start of the event will be charged 100% of the participation fee. Participants reserve the right to prove lower damages in individual cases.

Cancellation or termination after the start of the event can no longer be considered and will be charged at 100% of the participation fee. A refund is not possible.

The DPSG DV Speyer reserves the right to change dates, speakers and minor changes to the content of the event in exceptional cases, while maintaining the overall character of the event and the purpose of the contract. If the event is canceled due to illness of the speakers, force majeure or other important reasons for which the DPSG DV Speyer is not responsible (e.g. non-appearance of the speakers), there is no claim to the implementation of the event. The DPSG DV Speyer also reserves the right to withdraw from the event if it cannot be held due to an insufficient number of participants. In such cases, the DPSG DV Speyer will inform the participants immediately and refund any participation fees already paid.
